

**from BOSS**

*NICKY*

Maybe he'd just hang up  
On the couch before your mother interrupted  
And you told me to ask Jeff  
If it was ok to taste the casserole  
Are you still depressed?  
I'm high  
That's why I called

*MAKE THE CHART*

Do you know how to do this  
with the lines?  
what's-her-name couldn't do it  
in the bar with that lipstick  
A Jewish girl would never do  
what she does  
Without me she wouldn't  
have a business

*I'M A NICE GUY*

Did Nicky get pizza  
I let my daughters use my name  
So classy, Mon, hot stuff  
Don't ask the questions to me  
say them to Nicky  
No what do you mean she didn't send it  
We just had lunch  
I let you come in late  
Holiday party at Frankie and Johnny's  
Me JEFF MANN  
I can tell when a woman is upset  
I have a wife Annie

You would love her  
She worked at a top ad agency

***YOU'RE GONNA GET SOMETHING NEXT MONTH***

But I need you to take a leadership role  
What do you mean you have specific questions  
Just trust me  
You could be a winner  
I liked what you were saying about the structure  
Write it down on paper  
We are not a team

***YOU'RE LIKE ME***

MON you had some champagne at lunch  
That's cool you are like me  
But you have to keep some distance  
I see you becoming a very important girlWoman  
We are like a family here  
Next Friday my wife is coming to meet you

***SORRY IT ENDED***

I wish you the best Jeff  
sorry it ended  
In such a fashion I  
gave. You my best  
Need a quick question  
Amy unfortunately I  
asked you but  
You put me in a  
secirious crisis in  
March and April I did  
not dEserve this

to you and I am  
Very upset please call
